## WELCOME TO BELLVILLE

Our historic downtown square is surrounded by unique shops to satisfy any shopper's curiosity and you'll find historic buildings & homes all around town to see. We invite you to spend the day with us and enjoy the charm of a friendly small Texas town.

## FOR A WEEKEND OR A LIFETIME

Bellville and the surrounding area is called home for the weekend by many people from nearby major cities. The beautiful rolling hills, our incredible historical past and our great downtown square make the area a hotspot for visiting as well a permanent home.

Austin County was selected by Stephen F. Austin as his place to call home. We think he made an incredibly wise choice.

For a list of area accommodations and real estate agencies visit [DiscoverBellville.com](http://DiscoverBellville.com)

The previous Austin County Courthouse, built in 1854, stood proudly in the center of the downtown square, but was destroyed by fire in 1960.
